

User agreement for Alina Hall

General information

Alina Hall is rented only for organisations operating within the Student Union. Alina Hall may not be rented for private persons on behalf of the organisation.

In Alina Hall, parties can be organised twice in the spring (1 Jan–31 May) and twice in the autumn (15 Aug–21 Dec). The premises may not be used for parties in the summer. Additional user reservations can be inquired from the secretary for organisational affairs.

The organising of parties

The advertising of events organised on HYY's premises where alcohol is served is prohibited outside the academic community.

Parties can only be organised in Alina Hall. Partying must take place only in the reserved hall and not in staircases, for example. The representatives of the organisations which have club rooms on the same floor have the right to use their own premises during an event without being disturbed.

The organiser of the party has to appoint four security persons from among the organisation who have to fill out the security person contract and deliver it to the HYY's Services Office when collecting the keys. ***At least one of the security persons must have attended HYY's user training for Alina hall during the current or previous semester.*** The security persons must supervise the general order of the party and, if necessary, catch or remove a person who causes disturbance (with the help of security guards, if necessary). The security persons must wear security person vests or other clear identification and they are not allowed to be intoxicated. The security persons and the organiser of the party have to be reachable at all times in case that security guards, HYY representatives or police want to contact them. Security persons must be able to answer questions and operate according to instructions.

If the occasion is a so-called open party, **the organiser must keep at least one security person at the entrance of the New Student House during the whole event.** In other cases, the front door and the doors of the actual party hall must be closed during the whole event. **The doors must not be wedged open.**

Decorations can only be attached to the surfaces which are reserved for them on the walls. **Using duct tape or package tape is prohibited.** Decorations have to be removed as soon as the event is finished. Touching the lights or stationary electrical equipment is strictly prohibited due to safety reasons. **The entrance to the event must be closed by 3.30am at the latest and the whole party must finish at 4am at the latest. The hall must be cleaned and emptied by 6am at the latest.**

Cleaning must follow the instructions available in the booklet made for the users of Alina Hall and it can be collected from HYY's Services Office.

If the organisers notice that these conditions are not followed, they must either inform the security services and ask them for help or they must end the party. The events must always be ended if there are under-aged persons on the premises or if there is a suspicion or evidence of drug use. The Securitas guards of Kaivopiha area can be reached at **040 585 0791 during the day and at 040 581 7574 during evenings and nights.**

Security regulations

These numbers are based on the instructions by the fire authorities and HYY Real Estate. The supervision of the number of visitors is the responsibility of the organiser. Exceeding the number of persons can cause a serious danger in case of an emergency.

All forms of open fire, including candles and outdoor candles, are strictly prohibited on all HYY premises! The smoke machines are also prohibited. Smoking is permitted only in the smoking room of Alina Hall.

Handling the fire extinguishing equipment, emergency exit signs, etc., without a real danger is prohibited in accordance with the Rescue Act (379/2011). Emergency routes must always be unobstructed.
